

# Learn about key choices for the future of Canby transit.

The City of Canby is asking for guidance on how CAT should spend a limited transit budget. Two of the key choices are:

- *How should spending be balanced between scheduled bus lines (such as Route 99) and dial-a-ride services?*
- *If more is spent on scheduled bus lines, should CAT provide more intercity express buses? Or an hourly circulator bus inside Canby?*

Learn more by:

- Coming to see a presentation, at the Canby library (in the Willamette Room) at 6:00 pm on February 15th.
- Joining an interactive workshop, from 9:00 am to 1:00 pm on Saturday, March 18th. Lunch will be provided, and childcare and transportation are available on request. To sign up for the workshop, contact us at the number or email below.
